

The Charlotte County School Board will offer Driver's Education as a credit course. This course is open to all public or private students currently enrolled in a Charlotte County high school. The course will consist of six hours of classroom, held only at Port Charlotte High School and six hours of behind-the-wheel driving instruction at all three High Schools.

**Attendance:** Due to the unique structure of this course, students MUST attend all days of driving and classroom to receive a certificate of completion. School board policies apply to this course.

**Homework:** This course has a Student Training Manual which will be sent via email. In the manual, there is homework which needs to be completed before some of the driving times. The students are to complete the homework according to the instructions in this manual.

**Discipline Code:** Students are expected to follow the *Code of Student Conduct* at this school. Disruptive and/or inappropriate behavior will not be tolerated. The person in charge of the Driver's Education may immediately dismiss any student from Driver Education for inappropriate or disruptive behavior.
